General Terms to Purchase Agreement

Contract Number:

Terms of Sale: These General Terms are an integral part of the Purchase Agreement ("Agreement") executed by Customer and Company. The Agreement, including these General Terms, shall govern the purchase by and sale to Customer of the Products and contains the entire Agreement between Customer and Company with respect to the subject matter hereof, and supersedes all prior proposals and agreements between the parties, whether oral or written, relating to the Products. Both parties acknowledge and agree that the Agreement supersedes the terms and conditions of any purchase order used by Customer and, except for delivery instructions and quantities ordered, any conflicting or additional terms therein are void and have no effect, but Customer may place orders by use of purchase orders for its convenience and to comply with its internal procedures and requirements.

Payment Terms: Payment terms are net thirty (30) days from date of invoice. Credit card payments will not be accepted without prior approval of Company. Any taxes, fees or assessments imposed upon the Products, their sale, transportation, delivery, use or consumption shall be the responsibility of Customer. Customer's obligation to pay outstanding invoices and all other amounts is absolute and unconditional and is not subject to any abatement, reduction, set-off, defense, counterclaim, interruption, deferment or recoupment for any reason whatsoever. Balances remaining unpaid at their due dates are subject to a service charge of 1.5% per month or the highest rate permitted by law, whichever is lower, until paid. Any discounts, rebates, administrative fees, credits, or other fees due or owed to Customer will be applied against delinquent balances before payment or reimbursement is made. Any disputed amounts should be reported immediately and remitted with the undisputed amount by the payment due date. If Company agrees with the billing dispute, Company will credit Customer the amount of the agreed-upon billing dispute. All billing disputes must be made within six (6) months of the applicable invoice date, or will be deemed to be waived. Credit is extended at Company's discretion. If payments are not made within the credit terms, or if Customer becomes insolvent or bankrupt, Company, in addition to its other available rights and remedies, may withhold further shipment until all overdue balances are made current, and may require prepayment of future orders prior to shipment. Customer shall reimburse Company for any costs and expenses incurred for collection of overdue amounts or enforcement of its rights, including without limitation, its reasonable attorneys' fees, expenses and court costs.

Tax: Customer must provide Company with a resale/exemption certificate in order to avoid the withholding by Company of applicable taxes. No refund or adjustment to previously withheld taxes will be made by Company sixty (60) days after the invoice date. Please mail proof of certification to B. Braun Interventional Systems Inc., 824 Twelfth Ave., Bethlehem PA 18018-0027.

Only items appearing on an approved Return Request Form are acceptable for return. Product returns will only be accepted from the original purchaser. The warranty set forth herein is conditioned upon proper storage, installation, use and maintenance in accordance with the applicable written recommendations of Company. The warranty furnished hereunder does not extend to damage to Products purchased hereunder resulting in whole or in part from the use of components, accessories, parts or supplies not furnished by Company.
